U.S. Probation Officer Action:

As a result of the failed polygraph examination, his sex offender treatment provider was notified and it was addressed in sessions. A second, more specific, polygraph examination regarding him having unsupervised contact with a child under the age of 18 was conducted on December 18, 2020, and no deception was indicated.

At this time, we are requesting that no formal Court action be taken. We will continue to monitor his progress through collateral contacts with family members, law enforcement and with his treatment provider, as well as frequent home inspections.

Respectfully submitted,

SUSAN M. SMALLEY, Chief
U.S. Probation Officer
